Sense-Scans is in need of:

- -Additional Translators to help with Magi. The Japanese publication's chapters are up in the 100's, we're still at around 30.
- -Cleaners, Typesetters, and Redrawers to help speed up our releases, this is for almost all of our series, but more specifically for AKB49, and Magi. Just since we have a lot of chapters to do to catch up.

If you're willing to help, either contact us on our forums: http://forums.sense-scans.com or Email our leader: Aayush251@hotmail.com

Thank you for your time, now without further ado, enjoy the chapter!
